Youth Pastor Position:

We as elders have been talking to the youth leaders and the church board and have decided that our youth program has grown to the point that a full-time youth pastor is needed. We have heard from the youth leaders that there is so much more that could be done with the youth program but as we all know that all the leaders have jobs and other commitments in life. We are asking you to pray with us as we seek God's direction on this. We are working with the youth leaders and the church board and are in the process of finalizing a job description for that position. We all know that when someone gets hired then there is a salary involved, so this will change our budget numbers. We are asking for feedback from you and will continue to keep you informed, we plan on making a decision on annual meeting. If you have any questions or concerns please come and talk to one of the elders, Abe J, James T, James K, Kurtis U, Pastor James.
